**Wine:** WHITE

**MACABEO/CHARDONNAY  
/MUSCAT**

**D.O.: EMPORDA**

#### **LOCATION**

Capmany (Costa Brava, Girona)

#### **CLIMATE**

The climate is Mediterranean. Summers are fresh, and winters are smooth. The average annual temperature is 16,7 °C, and the rainfall is about 400 mm. A wind called *Tramuntana* (of the Latin *transmontanus*, “beyond mountains”) is a cold and turbulent wind of the northeast or north which keeps the vines dry, protecting them from disease.

#### **VINES**

Macabeo, Chardonnay and Muscat

**ALCOHOL:** 12,5 %

#### **OAK**

No oaking

#### **TASTING NOTE**

Aromatic and lush, it's a wine full of floral and honey nuances. The palate is smooth and velvety, emphasizing elegant aromas of exotic fruits, with the presence of delicious aromas of floral notes such as roses and tuberose, well complemented by secondary aromas from fermentation (mature fruits) that lead to a silky and full finish.

#### **GASTRONOMY**

Excellent wine to drink with fish, seafood and rice dishes, and fabulous as an aperitif or to complement a good pâté.

#### **SERVING**

Serve at a temperature between 7 i 9 ° C
